

Our range of BIM boxes has just got bigger!!!!

BIM 3000 SERIES

MULTI-PURPOSE UL94-V0
ENCLOSURE

BIM
BOX

This new range of BIM boxes feature a unique design that maximises the internal space, allowing you to utilise the internal capacity making them ideal for a wide range of applications. They have all of the usability and versatility you would expect from our already extensive range of BIM boxes that have remained at the forefront of the industry for 50+ years!

OUR NEW RANGE FEATURES

- Unique abbreviated screw pillars free up valuable side and end face space giving you maximum customisation options
- Modern textured finish adds quality and sophistication to your enclosure.
- The UL94-V0 flame retardant and UV stable ABS material ensures your product meets flammability standard and has a long outdoor life.
- Quick-fit your PCB using PCB pillars moulded into both the base and lid.
- IP54 rating as standard. (IP65 with optional gasket)

OPTIONAL EXTRAS

- IP65 gasket
- Flanged lid for wall mounting
- Screwless clip on lid to save assembly time and provide a screwless face.

Available in black, bright white and grey with either brass threaded inserts or self-tapping screws.

Available in 4 sizes:

- 86 x 59 x 39mm
- 101 x 50 x 27mm
- 121 x 66 x 44mm
- 151 x 81 x 50mm
