

REACH Statement

Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

As part of CamdenBoss's commitment to compliance, we have undertaken a process to identify if any substances of very high concern (SVHCs), meeting the criteria set out in Article 57 of REACH and included on the REACH "Candidate List" are present in CamdenBoss products.

We have communicated with our upstream suppliers and we confirm that, to the best of our knowledge, the products we supply do not contain any SVHCs included on the Candidate List in concentrations above 0.1 %

None of our products contain substances intended to be released under normal or foreseeable conditions of use, and therefore at the present time CamdenBoss Ltd is exempt from any requirement to register under REACH regulations

Should you require any further information concerning CamdenBoss implementation of REACH, please do not hesitate to contact us.
